

Index to the ABTAPL Bulletin (vols 4-26)

The 'New Series' of the ABTAPL Bulletin was first published in 1974. Numbers 1-40 were published from 1974-1987; these were followed by Volume 2:1-18 (1988-1993), and Volume 3:1-9 (1994-96). From 1997 each year had a different volume number, reaching vol 26 in 2019.

Numbers 1-20 were indexed in 1981 (by Eileen Dickson) and numbers 21 – 3:9 in 1996 (by Andrew J. Wilson). This index therefore covers volumes 4:1-26:2, published from 1997-2019.

I have excluded editorials, notices of meetings, advertisements, brief items of news and notes, lists of newsletters and periodicals received, lists of websites, job vacancies, and similar very ephemeral items.

Articles are listed alphabetically by author; for authors with more than one article, titles are listed chronologically.
